Judges Information Update June 2016

Assessment

At the YAA single WA1440 on 4th June Allan Shuker of Yorkshire sat his Regional assessment. I am pleased to report that Allan successfully completed and passed his assessment and has been upgraded to Regional status. Congratulations to Allan from the team.

Additionally on the subject of assessments, anybody wishing to take an assessment for their next grade should email me a copy of the appropriate 'J form' so that I can check it prior to the assessment taking place and arrange venues and assessors. Anybody wishing to submit their paperwork for National assessment next year should submit their paperwork to me by 30th September.

Regional Seminar

I am looking at dates for the next Regional seminar. This will take place as usual at Wetherby and District Social Club. The dates I am looking at are either the 22nd or the 29th of October, both Saturdays. If you could let me know your preference and I will book the most popular date.

Candidate to County Seminar

Details of this have been released on the ArcheryGB website and can be found here <http://www.archerygb.org/support/operations/judges/index.php> Anybody wishing to attend should complete the form sent along with this newsletter and return it to ArcheryGB.
